Sir:

This paper is responsive to the Office Action mailed December 27, 2006, in connection with the above-identified patent application.

In response, Applicants elect without traverse, the invention of Group I, i.e., claims 1-21. Applicants reserve the right to file one or more divisional, continuation, and/or continuation-in-part applications directed to the subject matter of the non-elected claims prior to the termination of proceedings in this patent application.

No fee is believed to be associated with the filing of this paper except for the two month extension fee. However, should the U.S. Patent and Trademark Office determine an additional fee is required, authorization is given to charge our Deposit Account No. 19-0733.

Respectfully submitted,

/John M. Fleming/
